

To Succeed in Modern Society, a Person Must Lie

This article touched a nerve with me. Everything I have been saying for the last 22 years is coming true in real time but hardly anybody is interested. My traffic has not increased. Nor my book sales. I don't care about this except as an indication that the public might be stirring in its sleep.

The plandemic and toxic "vaccines" were the biggest betrayal of public trust in history (after the world wars.) But people either don't want to know or don't have the intellectual faculties required. They are resigned to their fate, whatever it is.

Are there people in your life who choose to live outside the realm of reality? Friends and family members who refuse to believe what their own eyes and ears have shown them to be true? Does it seem to you as if 99.9% of the population has lost their minds? You're not imagining that, it's real.

Libtards screaming for the right to murder their own babies, and salivating at the thought of sexually mutilating your children and turning them into trannies.

Cuckservatives cheering the slaughter of innocent children in Palestine and the beating of peaceful protestors by the police.

Fake Christians waving their little Israeli flags and foolishly believing they are going to Heaven because they are "saved."

These are sick, delusional people. We spoke previously of how demonic possession contributes to their state of mental derangement. But there are two other reasons why almost everyone in your life is suffering from mental illness.

To Succeed in Modern Society, a Person Must Lie

For society to function on a level of madness requires everyone in it to refrain from telling the truth and instead to believe in lies. Not only must they refrain from telling the truth and instead believe in lies, they must also lash out and silence anyone who does tell the truth and refuses to believe in lies. In other words, everyone participating in such a society must uphold a code of silence when it comes to the truth. It's like the entire world belongs to Fight Club where the first rule is you do not talk about Fight Club, only nobody is fighting. They're retreating and running away like cowards.

Henry Makow famously said, "All that is required for the triumph of evil is for good men to be given good jobs." Examine that statement carefully and you'll see that it applies to almost everyone living in America today. That's because in order to keep a job in this country, a person is forced to accept lies.

In order to be a doctor, one must believe – or pretend to believe – in the widely debunked germ theory of disease. Thus, one's entire career becomes dependent upon a lie. If a doctor refuses to lie and stands up for the truth, one of two things happen. Either he is ridiculed and publicly maligned by the media, thus forcing him out of business. Or he is killed.

Included with doctors are nurses, pharmacists, dentists, hospital workers, medical administrators, and everyone else employed in the medical industry on any level. They all have to believe, or pretend to believe, in a massive lie or they will lose their jobs.

In order to be a teacher, one must believe – or pretend to believe – in the hundreds of historical, scientific, and societal lies that are taught to children. Thus, one's entire career becomes dependent upon a multitude of lies. If a teacher refuses to lie and stands up for the truth, they are immediately fired and not allowed to teach.

Included with teachers are administrative staff, principals, union officials, and everyone else who is employed in "education" in any way. They all have to believe, or pretend to believe, in lies or they will lose their jobs.

We can see that the majority of people today are forced to believe in lies in order to make a living. And the more prestigious and higher-paying the job is, the bigger the lies they have to swallow.

In order to work in the entertainment industry on any level, one must accept – or pretend to accept – every leftist position imaginable, including abortion, homosexuality, trannyism, the sexual mutilation of children, and more. If you refuse, if you hold a different opinion or dare to speak out against any of those sickening positions, you simply won't be allowed to work. No one will hire you. Ask James Woods. Ask Antonio Sabato, Jr. Ask me.

Perhaps you're thinking you can be a closet conservative in the entertainment industry, someone who holds an opposite opinion, but keeps quiet in order to work. You could possibly get away with that, but then you'd be lying to yourself. You wouldn't be presenting your authentic self to the world. You'd be showing the world a submissive, fraudulent side of yourself. Your whole life would be a lie.

Not only that, but you'd be using your talents to further the very agendas you despise, because everything coming from the entertainment industry, and that includes movies, television, music, professional sports, and traditionally published books, is purposely designed to push those agendas. Only a drooling retard would deny that.

There's also the issue of control. Once you believe in one lie, it's much easier to believe in others. That leads to people holding world views that are based entirely on lies and misperceptions. If you want to know why so many people were duped into taking the fake vaccine, this is one of the reasons.

So you see, Henry was spot-on with his words. "All that is required for the triumph of evil is for good men to be given good jobs." However, that's not the only reason why everyone around you is blind to reality and appears to have gone insane. The second reason is because they refuse to stop sinning.

Are You a Slave to Sin?

For whatever reason, people just don't want to give up their sins. Women want to continue reading romance novels, lusting after serial killers, and murdering their own babies. Men want to continue cheating on their wives, jerking off to pornography, and behaving like complete cowards when faced with adversity. Nobody, neither male or female, wants to stop sinning.

A stubborn refusal to stop sinning forces a person to accept a false reality, because if they didn't – if they embraced the truth instead and chose to live in the real world – it would require them to give up their sins. And that's something most people just aren't willing to do.

In many ways, this is even worse than being forced to accept a lie in order to make a living. When one is forced to believe in a lie in order to keep their job, that person generates a slither of sympathy. They might actually be someone good and courageous who is trying to turn things around in the industry they work in. Someone fighting the system from within.

However, when one refuses to stop sinning, they generate no sympathy at all. They are acting out of weakness and fear. They are literally damning their soul to hell, because they are too weak to take a moral stand and dedicate their life to God. When men do this it's particularly appalling, because submission and weakness are feminine characteristics. That's why men who are libtards, cuckservatives, or fake Christians are feminized to the extreme. They've lost their masculine energy. They've become docile facsimiles of real men who need Viagra to get it up.

A Triple-Pronged Approach Designed to Take You to Hell

So tally it all up and we have demonic possession, refusal to tell the truth and instead believing in lies, and refusal to stop sinning. One or more these factors is the reason why everyone in your life has lost their marbles and why almost all of them are on their way to hell. The good news is there are solutions to all of those things. The bad news is most people are so far gone from reality they are never coming back.
